Take Advantage of this Great Opportunity to be Listed FREE in the OPIS/STALSBY Petroleum Terminal Encyclopedia

Please list Corporate Headquarters information below:

Company Name: ____________________________________________________________
Corporate HQ Address: ______________________________________________________
City: ______________________ State: _______ Country: __________ Zip: __________
PO Box: _______ PO City: ______________________ PO Country: __________ Zip: ______
Main Phone: ____________________ Main Fax: ____________________________
Alternate Contact Numbers: ________________________________________________
Website: __________________________________________________________________
Main Email: ________________________________________________________________

Please list Corporate Contact information below:

Corporate Contact Name: ____________________________________________________
Is the person listed above for Corporate Contact responsible for updating
ALL the information when we are preparing a new edition of the encyclopedia?  □ YES  □ NO
*If NO, please provide person’s name and contact information. This is to ensure we contact the proper person responsible
for updating or any questions we may have.

Full Name: __________________________________________________________________
Phone: ____________________ Fax: ____________________ Email: ____________________
Address (If different from address you listed above): _______________________________
City: ______________________ State: _______ Country: __________ Zip: __________

Please list Terminal Information below: (Please provide ALL information requested below)

Terminal Name: ___________________________________________ EX-Stars Terminal #:__________
Physical Address: ____________________________________________________________
City: ______________________ State: _______ Country: __________ Zip: __________
Main Phone: ____________________ Main Fax: ____________________________
Website: __________________________________________________________________
Main Email: ________________________________________________________________
Mailing Address (If different from above): _______________________________________
City: ______________________ State: _______ Country: __________ Zip: __________

Only those personnel that have the following job titles listed below will appear in the encyclopedia.

Terminal Manager’s Name: (Mr. / Mrs. / Ms.) ______________ Email: __________________
Phone: ____________________ Email: __________________
Exchange/Throughput Coordinator’s Name: (Mr. / Mrs. / Ms.) __________________________
Phone: ____________________ Email: __________________
Bill of Lading/Accounts Receivable Person’s Name: (Mr. / Mrs. / Ms.) __________________
Phone: ____________________ Email: __________________

**Terminal Type (You may choose more than one).**

- [ ] Asphalt
- [ ] Crude Oil
- [ ] Jet Fuel
- [ ] Petrochemicals
- [ ] Biodiesel
- [ ] Ethanol
- [ ] Lube Oil
- [ ] Refined Products

**Supply and Outload Methods (You may choose more than one).**

- [ ] Barge
- [ ] Truck
- [ ] Rail (Names of Rail Lines: ________________________)
- [ ] Pipeline
- [ ] Ship/Vessel (sea-going)
- [ ] Other: ________________________

**Berth Information (If applicable):**
- Max. Length: ________
- Max. Depth: ________
- Max. Width: ________
- Total # of berths: ________

**Port City (If your terminal is not waterbourne, please fill in your terminal(s) physical location city):**

---

**Outloading Features (You may choose more than one).**

- [ ] Top Loading
- [ ] Bottom Loading
- [ ] Metering of Blending
- [ ] Transloading
- [ ] Hot Oil Heaters
- [ ] Splash Blending
- [ ] Vapor Recovery System

---

**Type of Tanks at Terminal**

- [ ] Coated Steel
- [ ] Stainless Steel
- [ ] Other: ________________
- [ ] Mild Steel
- [ ] Sphere
- [ ] Temperature Controlled

Total number of tanks at terminal: ________________________

**Tank capacity (in bbls):**
- Tanks range from: ________
- Tanks range to: ________

Total capacity in bbls: ________________________

**Type of Products Stored at Terminal**

- [ ] Crude
- [ ] Chemicals
- [ ] Other: ________________
- [ ] Petroleum Products
- [ ] Biofuels
- [ ] Veg Oils

---

Please indicate below the specific products that are stored at the terminal and the associated number of barrels:

**Crude Oil Gasoline**

- [ ] Conventional Mid-Grade #BBLs: ________
- [ ] Conventional Regular Unleaded #BBLs: ________
- [ ] Conventional Premium #BBLs: ________
- [ ] Conventional Ethanol Mid-Grade #BBLs: ________
- [ ] Conventional Ethanol Regular Unl. #BBLs: ________
- [ ] Conventional Ethanol Premium #BBLs: ________

- [ ] CARBOB Premium #BBLs: ________
- [ ] Low Sulfur Mid-Grade #BBLs: ________
- [ ] Low Sulfur Regular Unleaded #BBLs: ________
- [ ] Low Sulfur Premium #BBLs: ________
- [ ] Low RVP Regular Premium #BBLs: ________
- [ ] RBOB Regular #BBLs: ________
- [ ] RBOB Premium #BBLs: ________
- [ ] RFG Ethanol Regular Unleaded #BBLs: ________
- [ ] RFG Ethanol Mid-Grade #BBLs: ________
- [ ] RFG Ethanol Premium #BBLs: ________
- [ ] SubOctane #BBLs: ________

**Renewable Fuels**

- [ ] CBOB Regular #BBLs: ________
- [ ] Low RVP Regular Unleaded #BBLs: ________
- [ ] Low RVP Mid-Grade #BBLs: ________
- [ ] Ethanol #BBLs: ________
- [ ] Biodiesel #BBLs: ________

### Natural Gas Liquids
- Butane
- Isobutane
- Propane
- Natural Gasoline
- Normal Butane

### Residual Fuels
- #4 Residual Fuel
- #5 Residual Fuel
- #6 Residual Fuel
- Bunker Fuel
- Asphalt

### Diesel
- Diesel Exhaust Fluid
- Ultra-Low Sulfur Diesel
- #2 Low Sulfur Diesel
- #1 Low Sulfur Diesel
- #2 High Sulfur Diesel
- K-1 Kerosene
- Low-Sulfur Kerosene
- Premium Diesel

### Miscellaneous
- Alkylates
- Ammonia
- Anhydrous Ammonia
- Brine
- Cutter Stock
- Ethylene Glycol
- Methanol
- Denatured Alcohol

### Feedstocks
- Naphtha
- VGO-High Sulfur Catfeed
- VGO-Low Sulfur Catfeed
- VGO-Med Sulfur Catfeed

### Specialty Fuels
- Aviation Gas
- Jet Fuel
- Marine Fuel
- Low Sulfur Marine Fuel
- Transmix
- Fuel Additives

### Petrochemicals
- Olefins
