About OPIS: Oil Price Information Service (OPIS) is the world's most comprehensive source for petroleum pricing and news information. OPIS receives more than 70,000 daily rack and spot prices for gasoline, diesel, ethanol, biodiesel, LP-gas, jet fuel, propane, feedstocks, resid and kerosene. OPIS spot gasoline, diesel and jet fuel prices are heavily indexed as key benchmarks in national supply markets. OPIS also receives daily retail gasoline and diesel prices for more than 125,000 retail outlets in the U.S. and Canada. Newsletters, educational seminars, fax and email services are available for petroleum marketers, jobbers, fleets, oil executives and investment companies.
